JOIN OUR "COMMUNITY IN UNITY" GIVING

At Christian Brothers, we believe in doing our part to care for those less fortunate in the communities we serve. We are proud to partner with Forward Training Center of Hood County, helping them fulfill their mission to educate, support and inspire life-changing growth in men and women. As a result of their FREE Faith-based programs and classes, they have helped change the lives of over 500 men and women. Please join us in helping them change lives and make a difference!

Please visit their website at **forwardtrainingcenter.org**.

During your visit with us, if you donate $15 to Forward Training Center of Hood County, we will double your donation amount with a discount, giving you up to $30 off your total service order, excluding oil changes.

– Mike & Donna Loter, Owners
